STARTUP PITCH DAY

The startup pitch day is designed to showcase cutting edge technology companies in the blockchain and crypto spaces, it is comprised of:

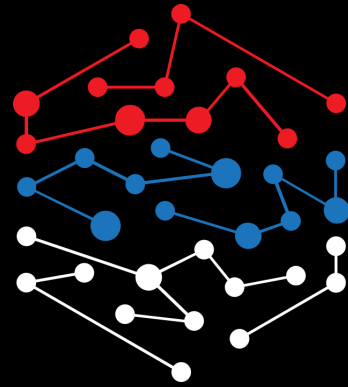

- 1 day preparation workshop where mentors are assigned and work with startups to refine and/or create their pitch decks and presentations (28th November 2021, LXCP, 65 Resavska, Stan 4)
- Startups then present on the 1st December 2021, in a secondary room to investors in the SEE region (Angel – Series A)
- The winner and two runners up are announced at the end of the conference day live on the main stage.

FOR STARTUPS:

- Get expert advisory to refine or create an investment-grade pitch deck that makes you stand out from the crowd (courtesy of LXCP – Capital Advisory & Introductions SEE region)
- Gain investor access and build relationships
- Gain media exposure
- Network and meet fellow entrepreneurs and technologists in the blockchain and crypto/spaces
- 1 ticket per startup to the private VIP dinner to be held on the 30th December 2021, a chance to mingle with investors, speakers and high-level business leaders

FOR INVESTORS:

- Gain access to new deal flow and find unknown opportunities
- Meet, network and build relationships with fellow investors and high-level business leaders
- Gain media exposure
- Join the private VIP dinner to be held on the 30th December 2021, a chance to meet and further chat with fellow investors, speakers and high-level business leaders
